

## College Scholarship Program and Application

ASTAC annually awards two \$1,000 scholarships to two resident students from our serving territory. The most qualified and deserving applicants will receive the scholarships with a restriction that only one scholarship can be available to a Utqiagvik student, this will enable all of the remaining students on the North Slope to be awarded at least one of the available scholarships. We will not include Deadhorse in our scholarship program since it is not a resident community.
