

VOICEMAIL SETUP

Step-by-step guide on how to set up your voicemail on ASTAC devices

Apple

- Open the Phone app on your iPhone.
- Tap on the "Voicemail" tab located at the bottom right corner of the screen.
- If it's your first time setting up voicemail, you'll be prompted to create a voicemail password. Follow the instructions to create a password.
- After creating a password, tap on the "Greeting" button to record your voicemail greeting.
- Tap on "Done" to save your greeting.

Samsung

- Open the Phone app on your Samsung phone.
- Tap on the three dots located at the top right corner of the screen.
- Tap on "Settings" from the drop-down menu.
- Scroll down to find "Voicemail" and tap on it.
- Tap on "Set up Voicemail" and follow the prompts to create a voicemail password and record your greeting.

Motorola

- Open the Phone app on your Motorola phone.
- Tap on the three dots located at the top right corner of the screen.
- Tap on "Settings" from the drop-down menu.
- Scroll down and tap on "Voicemail".
- Tap on "Voicemail Settings" and follow the prompts to set up your voicemail password and record your greeting.

Nokia

- Open the Phone app on your Nokia phone.
- Tap on the three dots located at the bottom right corner of the screen.
- Tap on "Settings" from the drop-down menu.
- Scroll down to find "Voicemail" and tap on it.
- Follow the prompts to create a voicemail password and record your greeting.

TCL

- Open the Phone app on your TCL phone.
- Tap on the three dots located at the bottom right corner of the screen.
- Tap on "Settings" from the drop-down menu.
- Scroll down to find "Voicemail" and tap on it.
- Follow the prompts to create a voicemail password and record your greeting.

Alcatel

- Open the Phone app on your Alcatel phone.
- Tap on the three dots located at the bottom right corner of the screen.
- Tap on "Settings" from the drop-down menu.
- Scroll down to find "Voicemail" and tap on it.
- Follow the prompts to create a voicemail password and record your greeting.
